

Waiver and Release

I agree and acknowledge that I am participating in the National Association for Research in Science Teaching ("NARST") Equity and Ethics Committee's March 31, 2019 Digital Harbor High School volunteer opportunity ("the Event") on my own accord. I freely and knowingly represent and warrant that I am physically and mentally fit and able to participate, and I do hereby assume responsibility for my own well-being at the Event. I am fully aware that physical injury might occur to me as a result of participation in the Event, and I hereby assume the full risk, including risk which is not specifically foreseeable, of any injuries, including death, damages or other loss, regardless of severity, which I may sustain as a result of participating in any and all activities associated with the Event.

In consideration of the right to participate in the Event, I acknowledge that I will not be covered by any policy of insurance maintained by NARST; I hereby waive any and all rights or claims I may have as a result of participating in the Event against NARST and its directors, officers, employees, members, staff, and all individuals assisting in conducting the Event ("the Released Parties"); I agree not to make any claim against the Released Parties or any of them in connection with my participation in the Event; and I hereby fully release and discharge them from any and all claims which may accrue to me or my heirs, executors, administrators and assigns arising out of or in any way connected with my participation in the Event. I further agree to indemnify, defend and hold harmless the Released Parties from and against any and all claims arising out of or in any way connected with my participation in the Event.
