Purpose: As part of NARST's mission to broaden and diversify membership, the NARST Equity and Ethics (E&E) Committee offers a Scholars Program for members from underrepresented groups within the United States (see Eligibility below). The stipend offered is to be used to support and to nurture promising young scholars (advanced doctoral students, postdoctoral fellows, and junior faculty) from underrepresented groups. It is more than a financial stipend – it is intended to intellectually support the development of these emergent scholars' programs of research. To help scholars craft questions, strengthen their theoretical frameworks, and improve their research skills. Scholars are required to participate in the NARST E&E committee sponsored Pre-Conference Workshop. Scholars are also invited to participate in other NARST events and to contribute to science education research, scholarship, and leadership more broadly.

Awards: Fifteen awards in the amount of \$700 each are offered to defray expenses to attend the 2019 NARST Conference, as well as the NARST E&E committee sponsored Pre-conference Workshop. Scholars will receive a stipend to be used for conference-related expenses, which may include conference registration fee, air travel, lodging, and ground transportation.
